THE MYSORE APPROPRIATION BILL, 1964

(Motion to consider.)

Sri B. D. JATTI.—I beg to move :

"That the Mysore Appropriation Bill, 1964 be taken in to consideration."

Mr. SPEAKER.—Motion moved :

"That the Mysore Appropriation Bill, 1964 be taken into consideration."

Sri B. D. JATTI.—Yesterday I have tried to explain everything in detail and all the members have approved my explanation and there was not much discussion. Today I think it is not necessary for me to go into details. Some hon'ble members complained that yesterday I did not reply to one or two points. Now I have got information and I will try to reply to these two points within five minutes.

One is regarding item 1. The amount asked for is evidently over and above Rs. 1 lakh originally provided in the Budget. That was the question put by Sri G. V. Gowda. Then it was asked by some hon'ble members why we have created new heads for certain items. I could not explain that yesterday because I had no time. I shall explain them now.
